### WACKY WORDIES REVISITED ★★

BY ERNEST COUTURE

Okay, but just this one time. We swore (several times, in fact) we'd never print another page of Wacky Wordies. Since we've received a number of letters from the Wacky Wordies fans out there begging for more, we've relented. We offer 24 new puzzles for you to solve below.

As always, the object is to discern a familiar word, phrase, or saying from each arrangement of letters and symbols. For example, #1 below depicts "a house divided."

We hope this batch satisfies your craving for Wacky Wordies so we won't have to publish any more of them.
